

## Invitation to the breakthrough of "Gallery 18"

When? Monday, 27 May 2019, 09:00 - 11:30

Where? Mont Terri Rock Laboratory, St-Ursanne, Switzerland

Ladies and Gentlemen,

After about 1.5 years of rock laboratory extension the time has finally come. We cordially invite you to the breakthrough of the "Gallery 2018" on Monday, 27 May 2019 at the Mont Terri Rock Laboratory in St-Ursanne.

The event starts with the meeting from **08:30 to 09:00 at the Visitor Centre**, Route de la Gare 63, near the St-Ursanne railway station. From there, we drive through the safety tunnel of the A-16 motorway tunnel into the rock laboratory.

### Program:

- 09:00 – 09:15** Transfer to the Rock Laboratory, Welcome Rothpletz & Lienhard AG
- 09:15 – 09:45** Breakthrough, delivery of the statue of St. Barbara
- 09:45 – 10:00** Greetings Ministre David Eray, Département de l'environnement RCJU
- 10:00 – 10:15** Greetings Fridolin Wicki, Director swisstopo
- 10:15 – 10:30** Thanks, P. Bossart, Director Rock Laboratory
- 10:30 – 11:15** Apéro, return transport of the participants

Inscription: Please confirm your participation via e-mail to: [georg.fiedler@swisstopo.ch](mailto:georg.fiedler@swisstopo.ch)
